Teaching environment (software)

S. Kuznets PNS, Corporate Zoom system, Microsoft Office (Word, PowerPoint)

Assessment system

Assessment of students' learning outcomes is carried out by the University according to the cumulative 100-point system.

Current control is carried out during lectures and practical (seminar) classes and aims to assess the level of students' readiness to perform particular tasks, and is assessed by the

amount of scored points.

The maximum amount is 100 points during the semester; the minimum amount required is 60 points.

Current control includes the following assessments: assignments on a particular topic; presentations, an individual research project in the relevant field of knowledge.

More detailed information on assessment and grading system is given in the technological card of the course.

Course policies

Teaching of the academic discipline is based on the principles of academic integrity.

Violation of academic integrity includes academic plagiarism, fabrication, falsification, cheating, deception, bribery, and biased assessment.

Education seekers may be brought to the following academic responsibility for breach of academic integrity: repeated assessment of the corresponding type of learning activity.

More detailed information about competencies, learning outcomes, teaching methods, assessment forms, self-study is given in the Course program (<https://pns.hneu.edu.ua/enrol/index.php?id=5129>)
