Type of studies	Maximal points
Lectures	8
Laboratory classes	17
Tasks by topics	17
VTS check	10
Written test	8
Examination	40
<b>Total maximal points</b>	<b>100</b>

**Discipline policies**

**Academic Integrity Policy** : A higher education student must adhere to academic integrity while studying. Violations of academic integrity are: academic plagiarism, self- plagiarism, fabrication, falsification, write- off, deception, bribery, biased evaluation.

For violation of academic integrity, education seekers may be held subject to the following academic liability: re-assessment ( test, Exam ); re-passing the relevant educational component of the educational program.

Write-off during control (modular) works is forbidden (including with use of mobile devices ). <https://www.hneu.edu.ua/akademichna-dobrochesnist/>

**Attendance policy** : active work of the applicant during lectures and practical (seminar) classes is estimated at 0.5 and 1 point, respectively ; absence from the class makes it impossible for the applicant to receive the appropriate points; if 50% or more space along with lectures applicant may be admitted to the final control only after presenting a brief outline of lectures on topics omitted.

**Policy on the implementation of tasks later than the deadline**: the implementation and defense of tasks in the discipline are according to the schedule of the educational process in the discipline, which is presented in the work plan (technological map). Deviations from the schedule do not affect the evaluation results

**More detailed information on competencies , learning outcomes, teaching methods, forms of assessment, independent work is given in the Work program of the discipline**

Syllabus approved at the meeting of Department «25» June 2021, Protocol №19.
