 PERSONAL STATEMENT

the project team
 member of the project team
 member of the project team
 Doctor of Economic Sciences, Professor
 A professor with good skills of communication and high level of knowledge in sphere of economic sciences, has successfully trained 12 candidates of science

September 2004 – Present

Head of Department of Higher Mathematics, Economic and Mathematical Methods, Simon Kuznets Kharkiv National University of Economics

September 2017 – Present

Chief Researcher of the Department of Modeling and Analysis of Soil Quality of the Scientific Center "Institute of Soil Science and Agrochemistry named after O.M. Sokolovsky" Academy of Sciences of Ukraine

WORK EXPERIENCE

EDUCATION AND TRAINING

from 1980 to 1985 Studied in Kharkov Engineering and Economic Institute, Ukraine: graduated in 1985, obtained speciality: organization of mechanized processing of economic information, obtained qualification engineer-economist;

from 1985 to 1988 Graduate student of Kharkiv Engineering Economic Institute

1989 Obtained PhD in Economics

from 1989 to 1993 Studied in Kharkov State University, graduated in 1993; obtained speciality: mathematics, obtained qualification: teacher of mathematics.

2008 Became Doctor of Economics in specialty 08.00.11 - mathematical methods, models and information technologies in the economics

PERSONAL SKILLS

Mother tongue(s) Ukrainian, Russian

ENGLISH	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
	B2	B2	B2	B2	B2

A certificate on on completion of the English language course(B2)

Communication skills excellent skills of giving scientific advice in the field of economics, management and international economic relations, skills of mathematical tools usage to solve economic problems, skills in the organization of research work, obtained while being a teacher of mathematics, obtained as a result of long of experience in managing postgraduate students in writing Ph.D. theses;
good communication skills at the university;
excellent communication which were the analysis of data in different spheres of human activity using mathematical methods and models

Organisational / managerial skills Leadership (currently I am the Head of Department of Higher Mathematics, Economic and Mathematical Methods, Simon Kuznets Kharkiv National University of Economics);
good organizational skills obtained while being a chairman of subject commissions in mathematics at olympiads and entrance exams;

Job-related skills Good skills of working in team and processing of the data analysis at the university (currently responsible for data processing);
skills of carrying out examination of recheaches, processes, the phenomena (performance in commissions of the management connected with carrying out examination)

Digital skills	SELF-ASSESSMENT				
	Information processing	Communication	Content creation	Safety	Problem solving
	Proficient user	Basic user	Proficient user	Basic user	Independent user

Levels: Basic user - Independent user - Proficient user
[Digital competences - Self-assessment grid](#)

Certificate of completion for succesful completing course Information Technologies of Modeling in the Economy (Podgorica, University of Montenegro)
 Knowledge obtained while studying at the institute and university;
 training courses;
 was a part of excellent team in the department responsible for the development of electronic multimedia textbooks and guidelines;
 teaching of mathematical disciplines using modern IT-technology and multimedia equipment

Other skills Excellent skills in communication with children, gained through my experience of working as a mathematics teacher in training courses

Driving licence B1 B

ADDITIONAL INFORMATION

Publications 270 scientific and educational work, 12 articles in Scopus and Web of Science
Presentations personal training programs «Econometrics», «Operations Research and Optimization Methods»,
Projects «Economic and Mathematical Methods»
Conferences Participation in 43 international scientific conferences
Seminars Regular seminars conducted by the supporting department of higher mathematics of V.N. Karazin Kharkiv National University

Honours and awards Security Inspectorate of Ukraine No. 75232 of October 25, 2005; breastplate badge "For the science of youth" dated 03.25.2009 r. (protocol №3 / 5-5), Golden Sign of S. Kuznets KhNUE (2011 p.); Rechkante The 85th anniversary of the establishment of the University (2015), a scholarship in the sciences of the sciences of. M.I. Tugan-Baranovskogo (of economics) Kharkiv Region State Administration (2016 b.), Golden badge S. Kuznets KhNUE (2016 p.).
