### Discipline policies

Teaching discipline is based on the principles of academic integrity - a set of ethical principles and statutory rules that should guide participants in the educational process during training, teaching and conducting scientific (creative) activities to ensure confidence in learning outcomes and / or scientific (creative) achievements.

Violations of academic integrity are: academic plagiarism, self-plagiarism, fabrication, falsification, write-off, deception, bribery, biased evaluation. For violation of academic integrity, students may be re-assessed

If the task is completed later than the deadline without good reason, it is not accepted for assessment.

More detailed information about competencies, learning outcomes, teaching methods, assessment forms, independent training is given in the Syllabus (working plan) of the educational discipline (link). <https://pns.hneu.edu.ua/course/view.php?id=2254>

Syllabus approved at the meeting of the Department of «Accounting and Business Consulting».
